About Aspen Publishing

Aspen Publishing is a leading provider of educational content and digital learning solutions to law schools in the U.S. and around the world. Aspen provides best-in-class solutions for legal education through authoritative textbooks, written by renowned authors, and breakthrough products such as Connected eBooks, Connected Quizzing, and PracticePerfect.

The Aspen Casebook Series (famously known among law faculty and students as the "red and black" casebooks) encompasses hundreds of highly regarded textbooks in more than eighty disciplines, from large enrollment courses, such as Torts and Contracts, to emerging electives, such as Sustainability and the Law of Policing. Study aids such as the *Examples & Explanations* and the *Emanuel Law Outlines* series, both highly popular collections, help law students master complex subject matter.

Major products, programs, and initiatives include:

- **Connected eBooks** are enhanced digital textbooks and study aids that come with a suite of online content and learning tools designed to maximize student success. Designed in collaboration with hundreds of faculty and students, the Connected eBook is a significant leap forward in the legal education learning tools available to students.
- **Connected Quizzing** is an easy-to-use formative assessment tool that tests law students' understanding and provides timely feedback to improve learning outcomes. Delivered through CasebookConnect.com, the learning platform already used by students to access their Aspen casebooks, Connected Quizzing is simple to implement and integrates seamlessly with law school course curricula.
- **PracticePerfect** is a visually engaging, interactive study aid to explain commonly encountered legal doctrines through easy-to-understand animated videos, illustrative examples, and numerous practice questions. Developed by a team of experts, PracticePerfect is the ideal study companion for today's law students.
- The **Aspen Learning Library** enables law schools to provide their students with access to the most popular study aids on the market across all of their courses. Available through an annual subscription, the online library consists of study aids in e-book, audio, and video formats with full text search, note-taking, and highlighting capabilities.
- Aspen's **Digital Bookshelf** is an institutional-level online education bookshelf, consolidating everything students and professors need to ensure success. This program ensures that every student has access to affordable course materials from day one.
- **Leading Edge** is a community centered on thinking differently about legal education and putting those thoughts into actionable strategies. At the core of the program is the Leading Edge Conference, an annual gathering of legal education thought leaders looking to pool ideas and identify promising directions of exploration.
